People and events that have impacted your life can be honored in your words on a bronze plaque on Memory Lane.

Family, friends, pastors, missionaries and teachers may be among those who have nurtured, guided, encouraged and challenged your life.

People often stroll down Memory Lane, taking a few minutes to sit on a patio bench to reflect on what has been remembered with love and gratitude. Through this public recognition, thousands of Green Lake visitors become aware of the people and events you celebrate.

Plaques can be placed on Memory Lane in memory of a spouse, family member or friend. Or in honor of a church, friend, pastor, missionary or other important person in your life. And plaques can mark a celebration, special occasion, birthday, anniversary, marriage, birth or retirement.
