Green Lake, WI 54941

6/11/17

Work groups at Green Lake Conference Center have fulfilling, bonding experiences!

Projects

Projects are available at all skill levels for men and women who enjoy working with others to generously bless the ministry at GLCC. Projects are scheduled all year and groups come for at least a week. Inside and outside, all across the grounds there are buildings waiting to be updated and made ready for use.

Participation

Participation comes from church groups, youth groups, secular groups, family groups and also from skilled individuals who bring special gifts which provide professional assistance in key areas. The group has a regular work day of 7-8 hours with short breaks and time for lunch.

An afternoon off is provided for groups that come for a week or more and work Monday-Friday. Work groups receive staff discounts at Worldwide Gifts, Troster Art Studios and the Country Store (when open). Work group participants who work 40 hours per week can enjoy a free round of golf during the time they are here for their work group experience (after 4:00 pm Monday-Thursday only).

Provision

Provision for work groups includes free housing, sometimes with cooking facilities, or meals can be purchased in our dining room at a greatly reduced rate. We can host groups of up to a maximum of 50 workers, depending on the season. Youth groups must bring working mentors with them, approximately one adult for every four teenagers.

We look forward to welcoming you, working together with you and accomplishing great things!
